PROGRAMME on “LENDING TO MSMEs & RESTRUCTURING OF MSME ADVANCES”

BACKGROUND

During its 93 years of service, IIBF has emerged as a premier institute in banking and finance education. Considering the emerging requirements of the bankers in the ever-changing dynamic environment, IIBF has been providing training to bankers in select areas. IIBF has the state-of-the-art training facilities at its Leadership Center at Mumbai. It also has three Professional Development Centres (PDCs) at Delhi, Chennai & Kolkata with residential facilities at Delhi to accommodate more than 50 participants at a time.

PROGRAMME HIGHLIGHT

The Micro, Small and Medium Enterprise (MSME) Sector in India is key driver to the growth of India's economy. Around 64 Million MSME Units/Enterprises employing about 112 Million people contribute to about a third (1/3rd) of our Country's GDP, 45% to Country's Manufacturing Output & 40% towards our Country's Exports.

MSME sector's sustained healthy growth is important to achieve India's GDP Growth Targets & also to retain its global position amongst best three GDP growth nations. The Sector is currently seeing a huge Credit gap with only 16 % of MSME Units in India receiving formal Credit thereby leaving more than 80% of them either under-Financed or Financed through informal Sectors which is too costly for them to get out of Debt burden & contribute towards achieving the ambitious USD 5 Trillion Economy for our Country. Even before the Covid pandemic, the MSME sector had been reeling under acute stress but the Covid 19 has affected their Cash Flows very badly as there has been zero revenue during the lock down. The Government of India and the RBI have announced several measures to step up bank credit to the ailing sector.

In view of the continued need to support the viable MSME entities on account of the fallout of Covid19 and in tune with the guidelines on the Resolution Framework for COVID 19 – related Stress announced for other advances, RBI has permitted a one-time restructuring of existing loans to MSMEs classified as 'standard' as on 1st March 2020 without a downgrade in the asset classification. The Banking sector needs to understand these guidelines in letter and spirit and implement them to improve the health and quality of their MSME portfolio.

The present program on “LENDING TO MSMEs & RESTRUCTURING OF MSME ADVANCES” has been specially designed considering the banks' needs & its impetus to finance in the area of MSME lending & adopt immediately the prudent norms for restructuring the stressed portfolio under this segment to avoid mass NPA slippages in Post Covid scenario.

PURPOSE

The program envisages confidence building measures among the participants drawn from various Banks at Middle and Senior Management levels by improving their knowledge and skills in understanding the whole gamut of MSMEs with special emphasis on Credit Appraisal and Restructuring of Stressed A/Cs as per RBI's latest prescriptions for MSMEs through hands on exercises/case studies. The program takes the participants to a logical journey right from scrutiny of loan application to credit decision making & envisaging a rehabilitation & nurturing programme for existing stressed MSME portfolio. This dynamic programme is unique in its nature, as a pure trainee oriented program, with more emphasis on interactions, group discussions, sharing of experience and exercises, apart from the usual training methods. During the course of the Program, the participants will be taken through the entire gamut of the SME lending, enabling them, to return to their work place with added confidence in handling SME credit proposals & save imminent NPA slippages under this segment.

OBJECTIVES

The participants will be able to:

- broadly improve the knowledge and skill in SME Credit appraisal & Restructuring.
- have comprehensive understanding about the entire gamut of SME lending.
- develop themselves as competent Credit officials to handle SME portfolio of the banks.

CONTENT OVERVIEW

- An Overview of MSME Sector & Its Contribution in the Economy.
- Revised Classification, RBI's Regulatory Guide lines.
- Code of Banks Commitment to Micro and Small Enterprises.
- Recent Government Initiatives for the growth of MSME Sector.
