PROGRAMME ON

“BALANCE SHEET ANALYSIS AND RATIO ANALYSIS”

BACKGROUND

During the course of 93 years, IIBF has emerged as a premier Institute in banking and finance education. Considering the emerging requirements of the Banks / Institutions in the ever-changing dynamic environment, IIBF is conducting training programmes in selected areas. The Institute has excellent training facility at its Leadership centre in Mumbai and Professional Development Centres at Chennai, Delhi & Kolkata.

PURPOSE

In any Credit Proposal, decision has to be supported by a proper scrutiny of financial statements of the borrower, apart from the technical and management aspects of the business. Understanding the financials and the implications thereof through a sound financial appraisal is very important in credit appraisal. The present programme has been designed as a solution to such challenges.

The programme envisages confidence building among the participants, by improving their financial appraisal skills and enhancing their knowledge level. The programme takes the participants through a logical journey, right from getting conceptual clarity on various aspects of Balance Sheet Reading to understanding intricacies involving implications on an informed credit decision.

As all are aware, due to the current Covid19 issue, physical class room is not feasible and IIBF has decided to conduct this programme in VC mode from our robust technical platform. Participants can attend the course from their office or home.
