

Diploma in International Banking & Finance

Rules & Syllabus 2015

OBJECTIVE

With the thrust on market orientation, globalization, financial and banking sector reforms and competition in the financial sector, banking / finance professionals face the challenge of continuously innovating and improving their products and services. Currently banks provide more or less similar products and services. In the face of competition, retaining market share has become all the more important. Banks can improve upon their business only if bank employees specialize in one or more products and services and carve out a niche for themselves. Further, the need for continuous improvement in the service provided calls for excellence in the performance and specialization. The Institute has, therefore, introduced various diplomas to help the employees of banks / financial institutions to acquire the required specialization and competence.

Indian banks are expanding their geographical horizons like never before. Indian Industry is booming and banks will have to offer international finance on a major scale. This diploma helps the candidate in acquiring a conceptual grasp over the entire gamut of international and wholesale banking operations including ALM, Risk and Profitability Management. It will help the candidates to understand legal and regulatory framework w.r.t. conflict of laws and jurisdiction, sovereign risk, etc.
