

DIPLOMA IN BANKING & FINANCE

Rules & Syllabus 2018

ABOUT THE DIPLOMA

There will be a growing demand for qualified manpower for the banking and finance sector in the coming years on account of expansion of volume of business and large scale retirement of personnel. Banking and finance industry will require professionally qualified manpower endowed with banking and finance knowledge and skills together with technology-familiarity, customer orientation and hands-on application skills who can be assigned to various desks / jobs with minimal training intervention at the bank level.

In view of the huge current as well as potential demand for the professionally qualified manpower for the banking and finance sector, and to ensure a steady stream of industry-ready professionals at the entry-level, IIBF has designed this course as professional qualification who aspire for a career in banking and finance.

The course will give knowledge inputs to the candidates and expose them to the operational processes and modern banking environment so that they can man the counters at the bank from the first day of their joining the bank. It is expected that successful candidates of Diploma in Banking & Finance would have a competitive edge and will be absorbed by banks and financial institutions and Diploma in Banking & Finance would emerge as a preferred professional qualification with graduation for employment in banking and finance industry.

Hosting of the Resume of successful candidates on IIBF's website for employment :
