“Training Programme on Technology Led Strategies for Business Growth for Banks/NBFC’s/FI’s/SFB’s”

BACKGROUND

During its 97 years of service, IIBF has emerged as a premier institute in the banking industry. Considering the emerging requirements of the bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to the banking professionals.

The training programs are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre at Mumbai. The four Professional Development Centres (PDCs) at Chennai, Delhi, Kolkata & Mumbai cater to the increasing demand for the focused training programmes.

PURPOSE

The financial services sector is undergoing a digital-first transformation. From AI-driven credit scoring to embedded finance ecosystems, technology is no longer a support function—it is the growth engine. This program equips officers with actionable strategies to harness digital innovations for sustainable business expansion, enhanced customer engagement, and regulatory compliance.
