“Know Your Customer (KYC), Anti Money Laundering (AML) & Combating Financing of Terrorism (CFT)”

BACKGROUND

During its 96 years of service, IIBF has emerged as a premier institute in the banking industry. Considering the emerging requirements of bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to banking professionals.

The training programs are designed in consultation with industry experts and human resources personnel with an endeavour to address the skill gaps continuously. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre in Mumbai. The four Professional Development Centres (PDCs) at Delhi, Chennai, Kolkata & Mumbai cater to the increasing demand for focused training programmes.

PURPOSE

The purpose of implementing anti-money laundering and counter-terrorist financing (AML/CFT) measures is to protect the financial system from abuse.

The effective implementation of these measures can help countries to trace and stop the financial flows linked to serious crimes and terrorism. An effective anti-money laundering and counter-financing of terrorism framework must address both the risk issues, it must detect and prevent illegal funds from entering the financial system; and also halt the funding activities of terrorist individuals or organizations.

The programme aims to impart knowledge on the areas concerning the AML/CFT framework, global standards set to combat the issues, the role of the National Agency (FIU-IND), Regulatory framework (RBI).

The coverage includes operational aspects like understanding of risk-based approach while on-boarding the customers, identification and reporting of AML/CFT red flags both in the financial system and through the movement of goods in Trade transactions (TBML).
