PROGRAMME ON “The Future of Banking: Embracing Digital Transformation”

BACKGROUND

During its 96 years of functioning, IIBF has emerged as a premier Institute in banking and finance education for professional bankers and aspiring candidates choosing banking as career. Considering the emerging requirements of the bankers in the ever-changing dynamic environment, IIBF started conducting training programmes for bankers in select areas. IIBF has setup world class training facilities at its Leadership centre in Mumbai for physical as well as virtual trainings.

Banks have made rapid strides in adopting Technology for various banking operations, control management, compliance handling etc. With developments in using the technology as alternate delivery channels and using technology for data management, data analytics, MIS, and digital banking for serving various customer needs, information technology is the key in banking services. Banking sector is the largest user of Information Technology. Therefore, there is greater need for enlightening the bankers about the threats and necessary steps for the prevention of Cyber Crimes as well. **With a view to cater to the needs of large number of banking professionals at Middle & Senior Management level, we have designed this Training Programme in this area.**
