## **Balance Sheet Reading & Ratio Analysis (Online)**

### **BACKGROUND**

During its 96 years of service, IIBF has emerged as a premier Institute in the banking industry. Considering the emerging requirements of the bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to the banking professionals.

The training programmes are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre at Mumbai. The four Professional Development Centres (PDCs) at Delhi, Chennai, Kolkata & Mumbai cater to the increasing demand for the focused training programmes.

### **PURPOSE**

The Balance Sheet Reading & Ratio Analysis program aims to enhance participants' skills in interpreting and analysing businesses' Balance Sheets to extract valuable insights about the business. The program covers discussion on accounting principles, classification of balance sheet items, ratio analysis, CMA data analysis, analysing the cash flow and fund flow statements, and also the limitations of financial statements. In addition to traditional training methods, the program encourages interaction, experience sharing, and practical exercises. Participants gain a comprehensive understanding of financial statements, empowering them to approach credit proposals with greater confidence upon returning to their workplaces.

### **OBJECTIVES**

- This program has been designed to improve the knowledge and skills of officials working in the Credit Department in branches and controlling offices, taking into account the bankers' needs.
