

# Financial Risk and Regulation (FRR®)

## About the Program

Financial Risk and Regulation (FRR) Certificate program from the Global Association of Risk Professionals (GARP) is designed for mid-level professionals working in sectors including banking, finance, risk, audit, accounting, consulting, compliance, information technology, insurance, and law.

The program is designed to prepare candidates to identify, assess, and mitigate various types of financial risks within their organization and understand their impact on the market value of as-sets and the global financial system.

The course curriculum includes four modules: **credit risk, market risk, operational risk, and asset and liability management.**

After completion of the material, the candidate can sit for the formal Exam and earn their FRR Certificate from GARP, the leading professional association for risk managers, dedicated to the advancement of the risk profession through education, research, and the promotion best practices.

## Course Features

## Registration

- To receive the IIBF preferential price of USD 300, you must first register your interest on the [IIBF FRR portal](#).
- You will then receive email instructions from GARP on how to complete the paid registration on the GARP website.
- Upon completion of the paid registration, you will receive access to the eBooks and other study materials.
- You will also have the option to receive print book at the time of registration. However, you will be required to pay the shipping cost, which will be calculated and added to the course fee at the time of registration.
- You will be required to complete the registration on GARP website before the given deadline to receive the preferential price. The regular program fee of USD 450 will apply after the last date.

## Timeline and Exam Details

- You will have nine months from the date of paid registration, and two attempts to pass the exam. The second registration will incur a fee of USD 175.
- If you fail in the first attempt, you will have to wait for 30 days to retake the exam.
- Select a date and location to take the exam via the Pearson VUE website under the section titled 'Find a test center', and make the reservation.
- The electronic exam consists of 80 multiple-choice questions and must be completed in 175 minutes.
- Questions will be presented randomly and not by category.
- Exam results will be provided immediately upon completion by clicking on the results button. A passing score for this exam is 54 out of 80 questions (67.5%).
- For further details, please visit [GARP FRR page](#).
