

## Remote Proctored Examinations

### Important Instructions

Dear Candidate,

This is with reference to your examination application for Remote Proctored Examination.

**Please do the following to ensure that you give your Remote Proctored Examination smoothly:**

1. Click on the below link to check the compatibility of your Computer/Hardware Systems (PC/Laptop/Camera/Mic etc.) and to take a compatibility test to familiarize yourself with the examination environment.

**System Compatibility Test Link:** <https://scc.assessments.teamleasedtech.com/System/CompatibilityCheck>

**After the compatibility test is successful, the mock test link will appear at the bottom. Click on the mock test link to take the mock test. The compatibility test and mock test are available two days before the actual exam.**

2. **It is mandatory/compulsory to take the compatibility test and mock test successfully with actual candidate details at least one day before the Actual Test. The mock test will not be available on the exam day.**  
Read Examination Rules & Regulations carefully. (click on the below link for Rules & Regulation)
