“New Income Tax Regulations – Practical Insights for Professionals”

BACKGROUND

During its 98 years of service, IIBF has emerged as a premier institute in the banking industry. Considering the emerging requirements of the bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to the banking professionals.

The training programmes are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre at Mumbai. It also has six Professional Development Centers (PDCs) at Delhi, Chennai, Kolkata, Mumbai, Lucknow & Guwahati with residential facilities at Delhi to accommodate approx. 50 participants at a time to cater to the increasing demand for focused training programmes.

PURPOSE

With frequent amendments in tax laws and evolving compliance requirements, it is essential for professionals to stay updated. This program is designed to:

- Bridge the knowledge gap on recent income tax changes
- Provide clarity on new tax regimes and compliance norms
- Enable better financial decision-making aligned with tax efficiency
- Support organizations in ensuring regulatory compliance and risk mitigation

OBJECTIVES

With this background, the Indian Institute of Banking and Finance (IIBF) has designed this specialized programme to equip participants with a clear understanding of the latest income tax regulations and their practical implications. It focuses on enhancing participants' ability to interpret, apply, and comply with updated tax provisions in their day-to-day professional roles.

CONTENT OVERVIEW

- Overview of latest Income Tax amendments and comparison of old vs new tax regimes
- Key features of the new tax regime including slabs, deductions, and exemptions
- Basics of income computation and practical tax planning strategies
- Updates on TDS/TCS provisions, compliance requirements, and timelines
- Implications for banking, NBFCs, and corporate professionals with industry examples
With Practical case studies, common challenges, and interactive Q&A session
