“Know Your Customer (KYC), Anti Money Laundering (AML) & Combating Financing of Terrorism (CFT)”

BACKGROUND

During its 96 years of service, IIBF has emerged as a premier institute in the banking industry. Considering the emerging requirements of the bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to the banking professionals.

The training programs are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre at Mumbai. The 7 Professional Development Centres (PDCs) at Delhi, Chennai, Kolkata, Mumbai, Guwahati , Lucknow & Bangalore cater to the increasing demand for the focused training programmes.

PURPOSE

The purpose of implementing anti-money laundering and counter-terrorist financing (AML/CFT) measures is to protect the financial system from abuse.

The effective implementation of these measures can help countries to trace and stop the financial flows linked to serious crimes and terrorism. An effective anti-money laundering and counter financing of terrorism framework must address both the risk issues, it must detect and prevent illegal funds entering the financial system; and also halt the funding activities of terrorist individuals or organizations.

The programme aims at imparting knowledge on the areas concerning AML/CFT framework, global standards set to combat the issues, role of National Agency (FIU-IND), Regulatory framework (RBI).

The coverage includes operational aspects like understanding of risk based approach while on-boarding the customers, identification and reporting of AML/CFT red flags both in financial system and through movement of goods in Trade transactions (TBML).
