

INDIAN INSTITUTE OF BANKING & FINANCE
(ISO 21001:2018 Certified)
Professional Development Centre – Eastern Zone (PDC-EZ), Kolkata

Virtual Training Programme (02 days)

**MANAGING IT & CYBER SECURITY RISKS IN BFSI
SECTOR: 21st-22nd DECEMBER 2026 (Monday-Tuesday)**

IIBF has emerged as a premier institute on banking and finance education. It is the largest institute of its kind in the world and is working with a Mission to “develop professionally qualified & competent bankers and finance professionals primarily through a process of education, training, examination, consultancy/ counselling and continuing professional development programmes”. Indian Institute of Banking & Finance has been awarded the ISO 21001:2018 Standard. This standard is for Educational Institutes who have achieved the required level of excellence in their academic offerings. IIBF is among the few institutes to have been conferred upon this standard

BACKGROUND OF THE PROGRAMME: BFSI Sector is using the latest security measures to protect customers’ personal information and financial transactions. Cybersecurity is the practice of protecting sensitive information and systems from unauthorized access, disclosure, disruption, modification or destruction. Cybersecurity measures can help to prevent cyberattacks such as phishing, sniffing and data breaches. It is a key for Banks/FIs to keep customers’ money safe and secure and helps to maintain customer trust and confidence in the Financial Sector. The Programme envisages to train office personnel of various banks/FIs about basics of Cyber Security, Framework, Governance,

Risk Management, Role of Business Heads, new trends in Cyber Security to counter such threats and provide hassle-free services to the customers. The programme is designed with emphasis on interactions, interface with field experts and practitioners in the industry.

OBJECTIVE:

- Enlighten the participants about the intricacies involved in IT & Cyber Security.
- Achieve higher operational efficiency in day-to-day operations
- Responsible adoption frameworks to drive innovation and maintain transparency

CONTENT OVERVIEW

• Computer Security in the BFSI sector • Cyber Crimes in Electronic Delivery Channels in Banks • Cyber Crimes in social networks like Facebook, WhatsApp • Do's and Don'ts in a mobile device • IT Risk Management & Risk Measurement • Cyber Laws and IT related legislation on cyber-crimes	• Latest Government policies and RBI circular • Emerging Trends in the digital world • Example from real branch banking • Customer survey and fraudsters strategies • Latest fraud patterns • Evolution of Fintech Industry • Network Security and Digital Evidence for a computer user
