BACKGROUND

During its 98 years of service, IIBF has emerged as a premier institute in the banking industry. Considering the emerging requirements of the bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to the banking professionals.

The training programs are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre at Mumbai. It also has seven Professional Development Centres (PDCs) at Chennai, Delhi, & Kolkata, Mumbai, Guwahati, Lucknow & Bangalore conducting training sessions in virtual mode and physical training classes, covering any banking subjects.

PROGRAMME OBJECTIVE

Credit is an integral part of the modern economy and the global financial system. The expansion of credit has been a major contributing factor to global economic development and is often described as the lifeblood of the economy. Access to credit has facilitated GDP expansion through an increase in consumption and the allocation of resources to productive purposes. It has also helped to improve the efficiency and profitability of business by enabling access to funding for things like expansion and capital expenditures.

PROGRAMME OVERVIEW

In today's dynamic financial landscape, robust credit risk management is the cornerstone of sustainable banking. This intensive programme is specifically designed to equip credit professionals with advanced skills to evaluate, structure, and monitor both **Fund-Based** and **Non-Fund-Based** credit exposures. Participants will transition from basic financial analysis to strategic risk architecture, minimizing Non-Performing Assets (NPAs) while optimizing portfolio growth.
