## **BACKGROUND**

During its 98 years of service, IIBF has emerged as a premier institute in the banking industry. Considering the emerging requirements of the bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to the banking professionals.

The training programs are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre at Mumbai. It also has seven Professional Development Centres (PDCs) at Chennai, Delhi, & Kolkata, Mumbai, Guwahati, Lucknow & Bangalore conducting training sessions in virtual mode and physical training classes, covering any banking subjects.

## **PROGRAMME OBJECTIVE**

To equip banking professionals with practical knowledge and skills to identify early signs of credit stress, manage NPAs effectively, and apply appropriate recovery and resolution strategies.

The programme focuses on moving from a reactive approach to a proactive approach in credit monitoring and recovery.

## **PROGRAMME HIGHLIGHTS**

### **01 | IDENTIFY**

Early Warning Signals (EWS)

Recognise financial, operational, behavioural and transactional indicators of emerging borrower stress.

### **02 | MONITOR**

Credit & Account Monitoring

Strengthen post-sanction monitoring, account review and identification of stress at an early stage.

### **03 | PREVENT**

NPA Prevention Strategies

Understand timely intervention, corrective measures and restructuring options for viable stressed accounts.

### **04 | MANAGE**

NPA Management Framework

Understand asset classification, stressed accounts and practical approaches to managing NPAs.

### **05 | RECOVER**

Recovery & Resolution

Explore structured recovery strategies, negotiation, settlement and appropriate legal/recovery mechanisms.

### **06 | RESOLVE**

Recovery Frameworks & Legal Remedies

Understand the broad framework involving SARFAESI, DRT, IBC/CIRP, OTS and compromise settlements, subject to applicable regulations and institutional policies.

## EARLY WARNING SIGNALS – WHAT WILL PARTICIPANTS LEARN TO SPOT?

|                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                              |

## KEY LEARNING OUTCOMES

At the end of the programme, participants will be able to:

- ✓ Identify **Early Warning Signals** before accounts deteriorate further
- ✓ Analyse emerging signs of borrower stress
- ✓ Strengthen **credit monitoring and follow-up mechanisms**
- ✓ Understand the NPA classification and management framework
- ✓ Develop appropriate **account-wise recovery strategies**
- ✓ Evaluate restructuring, settlement and resolution alternatives
- ✓ Understand key recovery mechanisms and legal routes
- ✓ Improve documentation, follow-up and recovery effectiveness
- ✓ Adopt a **proactive approach to stressed asset management**

## THE NPA MANAGEMENT JOURNEY

## DURATION

**03.11.2026 to 05.11.2026 (Tuesday, Wednesday & Thursday), from 09.45 AM to 5.30 PM.**

## TARGET GROUP

### **Ideal for:**

-  Branch Managers
-  Credit Officers
-  Credit Analysts
-  Relationship Managers
-  Recovery & Legal Officers
-  Risk Management Professionals
-  Stressed Asset / NPA Management Teams
-  Internal & Concurrent Auditors
-  Banking & Financial Institution Officials

## TRAINING METHODOLOGY

**Learn → Analyse → Apply → Resolve**

- **Interactive Classroom Sessions**  
Practical concepts explained through discussions and illustrations.
- **Case Studies**  
Realistic stressed-account scenarios for analysis.
- **Group Discussions**  
Participants examine EWS and recovery situations from a banker's perspective.
- **Practical Exercises**  
Account-level identification of warning signals and possible interventions.
- **Role Plays & Negotiation Exercises**  
Practice borrower interaction and recovery communication.
- **Knowledge Assessment**  
Entry/Exit assessment to reinforce learning.

## FEES

Rs. 10,500/- (Ten Thousand Five Hundred Only) plus GST @18% aggregating to **Rs.12,390/- per participant**

**(In case of TDS deduction, please send us TDS certificate)**

Programme fees may be remitted to the Institute's bank account as per the details given below:

|                                                  |                                         |

**“The key to effective credit management is not waiting for problems to emerge, but recognising the warning signs early.”**

**“Prevention is the first step in recovery; early recognition turns credit risk into manageable risk.”**

**“Effective asset quality management begins with early warning, continues with timely intervention, and ends with effective recovery.”**

**“A warning signal ignored today can become a recovery challenge tomorrow.”**

**“The strength of a bank's credit portfolio lies not only in lending wisely, but in recognising risk early and acting decisively.”**

**“Don't wait for stress to become an NPA. Detect it. Act on it. Recover it.”**
